

Don Pepe®

AUTHENTIC ITALIAN

Pasta Catalogue

Authentic Italian shapes

Don Pepe® offers a wide selection of shapes, belonging to ancient pasta making traditions from all over Italy. Each pasta cut is tested following high quality checks and cooked with different recipes typical of the Mediterranean diet.

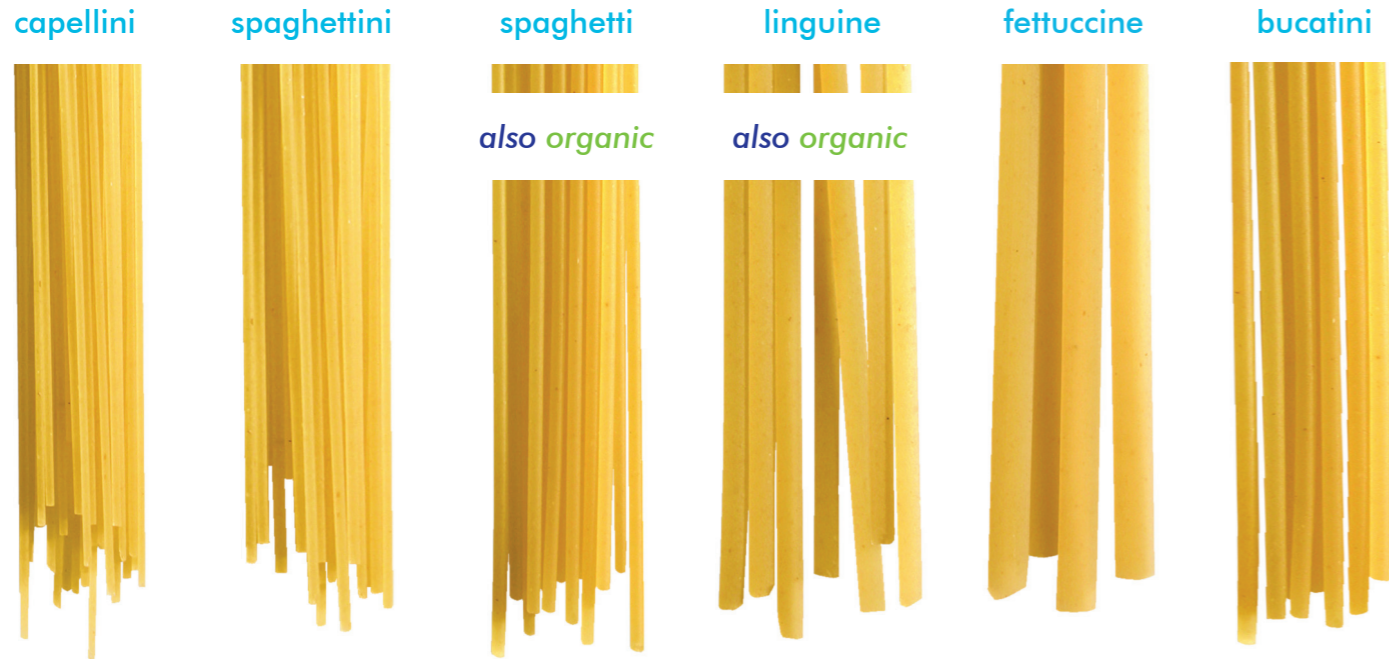

Selected durum wheat grains

Don Pepe® is a range of authentic Italian products made from selected durum wheat grains according to the early traditions of South of Italy.

The art of making pasta

The manufacturing process is completely based in south of Italy, and uses the best technology following the Neapolitan tradition. The high quality of Don Pepe® comes from 30 years of experience in the pasta world.

A non-gmo culture

Don Pepe® pasta is also embracing the non-gmo project vision "everyone deserves an informed choice about consuming or not genetically modified organisms". Don Pepe® Pasta: bring home the extraordinary Italian taste.

A NEW Organic Choice

Don Pepe® Organic pasta is produced from Certified Organic durum wheat semolina in the heart of Italy. The dough is kneaded, shaped, and slow-dried to produce a premium tasting product. Our Pasta is certified USDA Organic using methods that promote ecological balance and conserve biodiversity.
